PROCESS CONTROL SOLUTIONS

E-mail: info@controlsouthern.com

Web: www.controlsouthern.com

Valves

- Fisher**
- Globe, V-Ball, Rotary Eccentric Plug & Butterfly Valves
 - Severe Service Solutions: Cavitrol, Whisper, DST Trim
 - Severe Service Desuperheater, Steam Conditioning, TBX
 - Baumann Compact & Lightweight Precision Control Valve
 - Baumann Teflon Lined & Alloy Control Valves
 - Fisher Regulators: Natural Gas, fluids, Steam, Air, Sanitary
 - Fisher Tank Blanketing, Pressure Relief & Reducing

- Valvtechnologies**
- Metal Seated 1/2"-36" Ball Valves 150-4500#
 - Parallel Slide Gates 6"-24", 600-4500#
 - Electronic Relief Valves up to 24" w/controls
 - Power Choke Valves, Nextech Trunnion,
 - Turbine Bypass Systems, Xactrol
 - Electronic Dump Valve. All Zero Leakage Warranties.

- Cameron**
- WKM High Performance Butterfly, Demco Butterfly
 - WKM Dynaseal, Navco, Nutron Ball Valves
 - TBV High Alloy, Cryogenic, FE Ball Valves
 - Wheatley & Techno Check Valves

- Trueline**
- Full / Reduced Port Floating Ball Valves
 - Trunnion Ball Valves
 - Knife Gate Valves, HT-65 and HT2200 Wear Treatment
 - Low Pressure Globe and Check Valves

- Posi-Seal**
- High Performance Butterfly Valves, ANSI 150-1500
 - Teflon, Firesafe, Cryogenic, or Metal Seals

- ABZ**
- Resilient Seated & Double Offset High Performance Butterfly Valves

- Zwick**
- Triple Offset, Conical Seating Butterfly Valves
 - Zero-Leakage for complete shut-off

- Triac Controls**
- 1, 2 & 3 Piece Industrial Ball Valves, PFA Lined Flanged Ball Valves
 - Sanitary Ball Valves, V-port Ball Control Valves
 - Patented Pyramidal Stem Packing System

- Conval**
- High Pressure Ball, Globe, Check Valves, ANSI 900 - 4500

- Swiss Fluid**
- Corrosion-Resistant linings & encapsulations on products
 - Diaphragm, plug, ball, check, butterfly, sampling ball Valves
 - Piping Components, Sight Glasses, Sampling Systems

- ChemValve**
- Lined High Performance Plug, Ball, and Check Valves

- Larox**
- Pinch Valves: Manual and Automated, General & Custom Service
 - Larox Severe & General Purpose Knifegate Valves
 - Larox Transfer, Dosing, and Metering Pumps

Atlanta-Corp.

Valves

- PGI International**
- Instrument & Multiport Valves w/Pressure core stem seal
 - Power & Root Valves, Direct Mount Systems / Inst. Manifolds
 - Sampling Systems, ThermoSync Wells, Heat Enclosures
 - ThermoElectric & Differential Press Battery Chargers

Actuation

- Bettis**
- Scotch Yoke Actuators : CBA, G, & HD Series
 - D Series Rack & Pinion
 - TorqPlus EM Electric Actuator QTR Turn up to 10,000 in-lbs
 - Pneumatic, Hydraulic, Cylinder-Linear & Scotch Yoke; Direct Gas
- FieldQ**
- Rack and Pinion Actuators and Accessories
- Kinetrol**
- Pneumatic and Electric Vane-Type Actuators
 - Damper Drives
- EIM**
- Quarter-Turn and Multi-Turn Electric Actuators
 - Wide range of torque, voltage, and controls capabilities
 - Smart controls for valves and damper drives
- QTRCO**
- All Stainless Steel 1/4-turn Rack and Gear Actuators
 - High Performance On/Off and Control Applications
- Triac Controls**
- Scotch Yoke & Rack and Pinion Pneumatic Actuators
 - Electric Actuators
- Valvcon**
- Quarter-Turn Electric Actuators (with Fail Safe) and Accessories

Control Systems and Field Instrumentation

- Emerson**
- Positioners FieldVue Hart and Foundation Fieldbus: DVCs
 - I/P Transducers, Switches, Position Transmitters
 - RTU's: Remote Operations Controllers
 - Control Systems: Delta V, System Design & Integration
 - Wireless Positioners & Switch Boxes
 - Predictive Maintenance Technology: AMS, AMS ValveLink, FlowScanner

Accessories

- TopWorx**
- ValveTop Position Indicators
 - GO-Switch Leverless Limit Switches
 - Wireless and Bus Interface: FF, AS-I, DeviceNet
- PMV**
- Digital and Electro-Pneumatic Valve Positioners
 - Rugged all Stainless available, Bus Interface
- ASCO**
- Solenoid Valves, Position Sensors, and Limit Switches
 - Angle Body Piston Valves - Bronze and Stainless
- VERSA**
- NAMUR Mount and Body Ported Solenoid Valves
- Act-Smart**
- Pneumatic drive control and on-line diagnostic performance device

Services/Capabilities

- Authorized Field/Shop Repair and Calibration of Valves, Actuators, and Field Devices
- Complete Valve & Automation Engineering, Assembly, and Calibration
- Full Machine Shop & Hydrostatic Test Benches: Certified Automation Center
- Valve & Instrument diagnostics & Repair (all Manufacturers)
- Encore: Fisher Certified Remanufactured Valve & Instrument Program
- Turnaround & Outage Management Services

- 24/7 On-Call Availability
- Priority Service Contracts
- Valve Leakage Testing for Cycle Isolation
- Automation Retrofits

The items and suppliers listed above represent only a sample of the products available as distributed items or as part of complete automated valve assemblies through Control Southern Specialties. We engineer and deliver complete valve assemblies with components from numerous top-line vendors.
