

OdorXice™ Plus

Natural Gas Odorant Remover

Welker OdorXice™ Plus removes odorization chemicals added to natural gas. This non-toxic solution is water soluble and effectively eliminates odors caused by mercaptan, sulfide, and thiophene from containers, parts, vehicles, clothing, and tools instead of merely masking the smell.

Features

- Non-toxic
- Non-hazardous

Specifications

Available in:

- 32 oz spray bottle
- 1 US gallon container
